2011 Dance Camera West Film Festival in Los Angeles

2011 Dance Camera West Film Festival Trailer [Source: DCW]

The above trailer has a great selection of clips from many of the offerings at this year's Dance Camera West Film Festival. There really seems to be a lot of examples of men in dance and of male/female relationships in this year's lineup with some interesting martial examples all around!

The Dance Camera West Film Festival takes place in Los Angeles from June 16 through 19 at multiple locations and features 32 films from 9 countries.
