Dance Camera West - Dance Media Film Festival

Tonight on the [Kiner Hour – Let’s Talk Dance with Ashani Mfuko](#) internet radio and Ustream.tv show, [Dance Camera West](#), Award-Winning Filmmaker, [Ron Honsa](#) will be our special guest. Ron’s film, “Never Stand Still”, won the award for best documentary at the [Dance Camera West](#) Film festival.

[Never Stand Still](#) is a dance documentary about a rare place and the artists who dare to express the inexpressible through movement. The film explores why dance matters – to those who create and perform it and to those who watch it. Narrated by Tony Award winner Bill T. Jones, directed by [Ron Honsa](#) and shot on location at [Jacob’s Pillow Dance Festival](#), America’s longest running dance festival.

Through candid conversations with world-class choreographers and dancers, thrilling performances, backstage access and rare archival footage, [Never Stand Still](#) explores the unbridled passion and discipline that is demanded of those who choose a life in dance, transporting the viewer into a world of non-stop movement.
